*COVID Safety Protocols are Mandated for all AFCEA International events;  
TIP is co-sponsored by AFCEA Hawaii and AFCEA International.*

### **Is Proof of Vaccination Required?**

Yes. Proof of full vaccination and a valid photo ID must be verified to attend the in-person event at the Hilton Hawaiian Village. Therefore, each attendee must pick up their own badge. Badges cannot be distributed without this documentation.

### **What Qualifies as Full Vaccination?**

Individuals must have received the second dose of a two-dose vaccine series (Pfizer-BioNTech, Moderna, AstraZeneca-SK Bio) or a single-dose vaccine from Johnson & Johnson/Janssen at least two weeks prior to the event. Only the vaccines noted above, which have been approved by the World Health Organization (WHO), shall be acceptable to meet the vaccination requirement.

### **How Will Proof of Vaccination be Verified?**

Participants will show proof of vaccination onsite during the normal badge pick-up process. Please have your government issued photo ID and physical copy of your vaccine card ready. A picture on your mobile device or proof of vaccination via an app is also acceptable.

### **Can Someone Else Pick Up My Badge?**

No, participants must show proof of vaccination and a government issued photo ID to pick-up a conference badge. A picture on your mobile device or proof of vaccination via an app is also acceptable.

### **Are There Any Exceptions?**

Participants who are not able to be fully vaccinated for valid reasons (such as medical or religious exemptions) may present proof of a negative COVID-19 test in lieu of proof of full vaccination. Photo ID must also be presented.

Test results must be presented at an assisted registration counter prior to entry into the conference. Testing must be conducted no earlier than:

- 48 hours before event start time for a PCR test
- 24 hours before event start time for an antigen test

A printed document from the test provider or laboratory, or an electronic test result displayed on a phone or tablet, is required.

The document must include:

- Full name
- Type of test performed (PCR or antigen)
- Date of test
- Negative test result

**Please note: Self-administered or “home” tests without independent third-party verification are NOT acceptable. We will not accept home kit test cards.**

**Registration Volunteers: Do not confront the person about the requirements; if they have an issue, refer them to the Mid-Pacific Conf Ctr Main Registration in the Coral Lobby under the escalator. Ask for Ms. KathyAnn Thomas.**
